Subject: Quarterly Meeting Agenda for August

Please see attached memo regarding the Quarterly Meeting Aug. 22nd.

Thank you,

Barbara Warren

August 9, 2012

Memo To: Moira Maloney, DOE
Lee Gordon, NYSERDA

From : Barbara Warren (Citizens' Environmental Coalition), Diane D'Arrigo (Nuclear Information and Resource Service), Brian Smith (Citizens Campaign for the Environment), Vincent Agnello (Niagara Watershed Alliance), Joanne Hameister and Concerned Citizens of Cattaraugus County

Re: August 22nd Quarterly Meeting Agenda

We are recommending that the next Quarterly meeting provide for a thorough discussion of the Characterization, Sampling and Analysis Plan. This work is critical to an adequate site cleanup.

In addition, the Report from the Erosion Expert Panel, just released, should be discussed.

We would also like to receive the Scope of Work provided to the Independent Scientific Panel.

Thank you.
